

Policy

It is the policy of Stichting AFNORTH International School Brunssum that the school have comprehensive plans outlining actions to be taken in emergency situations.

Definition

An emergency is a situation requiring evacuation, school closure, or cancellation or delay of transportation etc, due to fire, flood, inclement weather, bomb threats, firearms, chemical spills, terrorist activity, etc.

Guidelines

1. The Director will establish a school plan that will be followed in emergency situations.
2. The school emergency procedures will be included in the international staff handbook.
3. The school will hold emergency drills pertaining to evacuation and lock down of the school in accordance with the school plan to ensure a smooth evacuation process. There shall be a minimum of three drills in the fall and three in the spring.
4. Early in the school year the director through each national section shall distribute to parents or guardians a notice addressing the subject of emergency evacuation and closure of the school and a plan to meet emergency situations.
