**STUDENT SERVICES****4000**

---

**Program Policy****4010**

---

**Rationale**

At AFNORTH International School Brunssum the student is our first priority.

**Policy**

Stichting AFNORTH International School Brunssum shall provide an education in accordance with and as required under the national requirements of the contracting parties.

**Guidelines**

1. Each national section shall provide an educational program meeting that nation's guidelines.
2. Instruction will be in the languages used in the schools for the participating countries.
3. Instruction programs and curricula shall be standardised as far as possible.
4. In order to strengthen the cohesion of the school and to encourage contacts and cultural exchanges between the students of various National sections, when possible certain lessons for classes of the same level shall be given jointly at the elementary level.
5. The acquisition of additional languages is a high priority in the education of our students.
6. In providing education and instruction at the school, the conscience and conviction of the individual shall be respected.

**Review**

This policy shall be reviewed in accordance with Policy Development and Review Policy 1020.
