

**Rationale**

The AFNORTH school community is continually striving to provide the best learning environment and opportunities for our students. The contributions to the school community and to school spirit made via fundraising efforts by parents and by students are recognized.

**Definition**

Fundraising is the solicitation of funds or goods through sponsorship activities, the sale of products within the school campus and school community and at school activities, and the sale of tickets for raffles or events.

**Policy**

It is the policy of AFNORTH International School to support a variety of fund raising activities. These activities shall be approved by a National Section Head and if applicable Administrator.

**Guidelines**

1. Stichting AFNORTH International School Brunssum actively promotes engagement of School Councils, Parent Associations, Booster Club, Student Groups, and similar associated groups which are connected to the operation of the school in fundraising activities.
2. Requests for fund raising are directed to the appropriate National Section Head and if applicable Administrator.
3. Fundraising events will be co-ordinated within the school.
4. When use of the facility for fund raising is required, an application for use of the facility is to be completed.

**Review**

This policy will be reviewed in accordance with Policy 1020 Policy Development and Review.
