

Rationale

In order for Stichting AFNORTH International School to be an integral part of the military community and society, visits in the school by a wide variety of people are beneficial. The goals of the school support the need for community involvement with our students and staff.

Policy

It is the policy of Stichting AFNORTH International School, taking into consideration security requirements, to encourage visits in the school by parents and the public.

Guidelines

1. Visits in the school shall be at the discretion of the Directorate and/or Section Heads and if applicable Administrators of the school.
2. Visitors shall follow the security regulations established for the school.
3. The use of school facilities outside of normal school hours by individuals and groups shall follow the Use of Facilities Policy 8040.
4. Care should be taken when making photos anywhere on the school campus. It is forbidden to make photos from the security installations (e.g. ports, barriers, fence and CCTV-system). No pictures and videos of students may be made that can possibly be put on the internet.

Review

This policy will be reviewed in accordance with Policy 1020 Policy Development and Review.
