Facility Accommodation Policy

8030

Rationale

Multiple nations sharing a facility require cooperation between nations and programs. The management team plays a crucial role in creating a balance.

Policy

It is the policy of Stichting AFNORTH International School Brunssum to provide our students and our staff with reasonable accommodation to meet program and administration needs.

Definitions

Management Team – includes the Director, Assistant Director, Section Heads and Administrators of each nation, or designates.

Guidelines

1. Each National Section Head and Administrator shall make the needs of that section known at management meetings where all decisions shall be made regarding the allocation and use of space or facilities.
2. The Management Team shall decide accommodation of space based on student and program needs. The Management Team shall make its decisions based on consensus by all.
3. Matters of concern for safety, maintenance or needed upgrading shall be brought to the attention of the Director and acted on accordingly.
4. Items having long term implications and/or new budget requirements will be considered by the management team for addition to the long range recurring maintenance schedule.

Review

This policy will be reviewed in accordance with Policy 1020 Policy Development and Review.
